

Head and foot positioners can be easily retrofitted for all-around security.

Accessories

seca **418**
Head and foot positioners
for seca 374

Easy and convenient: The seca 418 head and foot positioners can easily be attached to the seca 374 baby scales. This accessory increases safety by securing baby at head and feet. Integrated handles also make it easier to transport the seca 374.

- Dimensions: 205 x 148 x 69 mm
- Weight: 400 g
