

The face of the dial is especially large to make reading the figures much easier.

The rugged metal housing withstands years of use under the hardest conditions imaginable.

seca 762

Mechanical personal scales

The precise design classic has a large clear and well defined dial. With a large, low-level, non-slip platform and scratch-resistant finish it is easy for the patient to step on and weigh.

- Capacity: 150 kg
- Graduation: 500 g
- Optional: Carrying case seca 421

Accessories

seca 421

Carrying case

With this carrying case of water-repellent material, the following seca scales can be safely transported: seca 762 and seca 750.

The large dial makes it easy to read results.

seca 750

Mechanical floor scales

Pretty and stable: with their pure, light design, these scales will make a good impression in any clinic. A stable, powder-coated steel casing, a circular display and an easy to clean tread area of imitation leather – what more does one need for comfortable weighing? The seca 750 is available in three versions: kilograms, pounds and kilograms/pounds.

- Capacity: 150 kg
- Graduation: 1,000 g
- Optional: Carrying case seca 421

The stable material on the platform ensures safety from slippage.

The housing is of metal treated with powder-coated lacquer.
